All contract gallons will be delivered on Viafield's Scheduled Delivery Program unless otherwise agreed upon by both parties. Gallons used for grain dryers and livestock production are not eligible for scheduled delivery but will be monitored by Viafield with assistance from the customer.

All contracts will run from September 1, 2023 thru March 31, 2024.

Same day deliveries for non-scheduled delivery customers will be charged \$50.00 for a trip fee.

Any unused gallons of **booked** LP remaining as of March 31, 2024, will be forfeited by the buyer. Any unused gallons of **prepaid** LP remaining as of March 31, 2024 will be forfeited by the buyer and the prepaid dollars will be applied to next year's contract.

Any tax license fee, inspection fee, or other charge imposed by any governmental authority or other agency on or measure by gross receipts from, the propane herein sold, or on the production, manufacture, transportation, sale, use, delivery, or other handling of such propane, shall be added to the price hereinafter specified and shall be paid by customer to company, if such tax fee, or charge is required to be, or is paid by company. Customer agrees to pay freight differential (if any) for propane pulled from any other pipeline terminal if circumstances make it impossible to pull propane from designated pipeline terminals.

If seller is unable to deliver fuel due to government regulations, fuel shortages, strikes, or any other cause reasonably beyond seller's control, seller shall not be responsible to buyer for such failure to deliver.

In the event buyer fails to take delivery during the time period stated in this contract. Viafield reserves the right to charge the buyer for the difference between the contract price and the market price (if the market price is lower than the contract price) on remaining undelivered gallons on the last normal business day of this contract.

To authorize this contract the buyer must sign below and return this document within 10 days of the date below.
