

Understanding your Nexus Statement

The following is a short explanation of how to understand your Nexus Statement. If you have any further questions after reviewing this, please contact your Nexus Location of preference. Please keep this document for future reference.

- Statements are sent out on the 1st business day of each month and are due on the 15th.
- Finance Charges are assessed to your statement on the 20th of the month on all unpaid balances that were due the 15th of the month as per the statement. The finance charges are 1.5% monthly of the unpaid balance.

Price

This column includes the total cost of the matching line item in the description box.

Feed

This column is for Feed Purchases.

Budget

This column is only for customers on a budget plan. Home heating, sales tax, product delivery and payments are posted in this column. The budget amount due will show as a line item.

Agronomy

This column includes seed, chemicals, fertilizer and application charges that have not been applied to Prepaid.

Prepaid

This column includes any product or service that is paid for in advance of its delivery.

Regular

Any charges that have occurred with regular billing terms. This may include, Storage, and Drying, Energy, Merchandise, etc.

Balance Due

This amount is the balance due and payable for the current statement.
